**REQUEST FOR CORRECTED NOTICE OF
RECORDATION OF ASSIGNMENT DOCUMENT**

Sir:

Applicants respectfully request correction of the Notice of Recordation of Assignment Document mailed December 16, 2004, recorded on January 8, 2004, at Reel No. 015458, Frame 0615.

Specifically, there is a spelling error in the Assignee's name. The Assignee's name should be spelled **GlobespanVirata, Incorporated** (no spaces), as reflected on the Recordation Cover Sheet Form, as well as on the Assignment document. Additionally, the execution date for the second and third inventors, Shishir JAIN and Krishan Kumar ATTRE, should be corrected to reflect the correct date of March 10, 2004, as it appears on the Assignment document.

The errors are readily apparent when the recorded cover sheet is compared with the recorded Assignment to which it pertains.

A copy of the Notice of Recordation of Assignment Document (with the requested correction indicated in red ink) is included herewith for the Patent Office's convenience, together with a copy of the executed Assignment.

This request for correction is due to an error made by the Patent Office, therefore no fee is believed due in connection with this request. However, if it is determined otherwise, the Director is hereby authorized to charge any deficiency or credit any difference to the undersigned's Deposit Account No. 50-0206. Applicants hereby respectfully request the issuance of a Corrected Notice of Recordation of Assignment Document.

Respectfully submitted,
